Dear Gregory,

Re: Patriotic Fund Budget Review - 2023

Further to your recent submission regarding Patriotic Fund rent proposed for 2023.

I confirm that the rent payable to your Patriotic Fund for the 2023 financial year is \$512,284 inclusive of GST.

Further, the trustee approves the budgeted expenditure as detailed in the Patriotic Fund budget provided by the Sub-Branch. Note: any specific building related works still require the trustee's approval through the established Property Committee process.

Yours sincerely,

David Ridley
