Register now for the inaugural Ex-Service Organisation (ESO) Summit, Saturday 6 August

The Victorian Veterans Council (VVC), supported by the Victorian Government, is holding its inaugural ESO Summit on Saturday 6 August 2022.

The VVC invites all Victorian-based ESOs and service providers, big or small, to attend this seminar event for the Victorian ex-services sector. Everyone is welcome, and the event is free to attend.

Ex-Service Organisations and related veteran service providers are encouraged to pre-register their in-person or virtual attendance now.

Register here to attend and/or express interest to be an exhibitor.

This event will be held at the Melbourne Convention and Exhibition Centre from 9.00 am to 5.00 pm, with online participation also available. A welcome event will be held at the Shrine of Remembrance on the evening of Friday 5 August.

The ESO Summit will provide a platform for engagement and collaboration across organisations dealing with veteran welfare support, and the opportunity for ESOs to establish new partnerships to enhance their service delivery.

Our program for this year's summit will be designed for ESOs and service providers to:

- **PARTICIPATE** in knowledge exchange
- **DISCOVER** the latest trends and opportunities in service delivery
- **CONNECT** with other ESOs and service providers to forge new relationships for better service provision.

We look forward to hearing from as many organisations as possible. While the key focus

of this event is ESOs, veterans and their family members are also welcome.

We will provide further details closer to the event.
