Subject: Email to Ash Power (President) & Gregory Larkins (Secretary), Regarding Gallipoli Youth Cup - School Education Program.
Attachments: YOT_Newsletter 2019.pdf

Dear Ash & Gregory,

Hope both of you are well.

We are delighted to announce in conjunction with Tennis Australia the **Gallipoli Youth Cup's** School Education Program will return in 2023.

These past two years' COVID-19 has impacted our school children but with the return of the School Education Program we are looking forward to empowering them once again by promoting the notions of camaraderie and mateship through our program.

Since 2008 more than 9,500 school children have been educated about the Gallipoli campaign.

Next year we will be celebrating the **15th edition** of the School Education Program in April at Melbourne Park (home of the Australian Open).

In 2019 your Sub Branch donated \$100 towards our education program, and we are seeking your support once again for our Aussie kids

We are grateful of the contribution your Sub Branch has made in the past – it's an investment which achieved an incredible milestone of over 9,500 school children attending the education program.

In relation to past lockdowns, our kids have endured so much and we really need your Sub Branches support to improve their mental and physical well-being.

Currently we have 47 RSL Sub Branches supporting the School Education Program.

The contribution by your Sub Branch will determine how many children will be able to attend the School Education Program.

Please find attached newsletter to view our past achievements.

If your Sub Branch is able to support school children, please let us know and we will email you an invoice.

We look forward to hearing from you, and if you have any questions or require further information, please don't hesitate to contact me on 0427 262 727.

Kind regards,

Umit Oraloglu

Director
