Dear Sir / Madam

I am writing to express my thanks for the excellent service I and my family received for an 80<sup>th</sup> Birthday dinner on Saturday 20 August.

The area set aside for us made for a very pleasant function, private enough but not so isolated that we didn't feel part of your other guests.  
Your staff were accommodating in helping my daughter set up some balloons/flowers etc.  
The quality and choices of food were excellent and all of my family commented on this.  
The meals all arrived virtually together, and having names recorded for each meal made for easy serving of them.

The cost overall was very reasonable and my wife and I would happily recommend the Restaurant to anyone we meet or know.

Yours faithfully,

James McCarthy
