Subject: New Membership Application Forms Now Available

Importance: High

Dear Membership Officers, Secretaries & Managers,

As you may already be aware, over the last few months we have been redesigning both the Service/Affiliate and the Social/Community Membership Application forms.

It has been a lengthy process redesigning our application forms so that they reflect our modern, diverse RSL network.

We thank you for your patience while this process has been undertaken.

I'm excited to announce that the redesigned application forms were approved at the August State Executive Committee meeting.

The Service/Affiliate Application Form now also includes reference to PMKeyS. For anyone unfamiliar with PMKeyS, it stands for Personnel Management Key Solution and has been in use by the ADF since the late 1990s. As the ADF now use PMKeyS instead of Service Numbers, a PMKeyS number is an acceptable way for a prospective Service member to prove their eligibility for Service membership.

Your Sub-Branch can now order these new forms using the same method as with the previous application forms. That being; directly from our printers via their website: <https://xm.direct1.com.au/rsl>

Please don't hesitate to reach out if you have any queries.

Regards,

Rose Mitchell
Network Service & Support Officer
