Dear Alastair,

Following up from your recent letter regarding signage for the dining room at the Wangaratta RSL

This was discussed by our Committee at their meeting held yesterday and they have asked that I advise you of the following outcome.

As you may be aware, the Wangaratta RSL has been negotiating the acquisition of the building immediately next door so that it can become our veteran hub that will include our welfare, library, museum and meeting room. We envisage calling this building the 2/24th Veterans Centre with individual rooms named after theatres of operation that the 2/24th were involved in. Such as the Tobruk Room and the Tarakan Room.

We feel that this would be more prominent than continuing the 2/24th name in the existing function room where we only have room for a relatively small sign.

We will keep you informed of any progress of this exciting development.

Yours sincerely

Greg Larkins JP
