Dear Greg

Re: RSL Hospital/Aged Care Visitation

Thank you for your enquiry with regards to the return of RSL's Home and Hospital Visiting Program.

Unfortunately, at this time, the Victorian COVID-19 Public Health Orders only allow visitors in aged care and hospitals for specific reasons and a limited number at any one time by exemption only.

As soon as the Public Health Orders change to allow this function to return in full, we will look forward to having you return onsite for visitation and support of our ex-service community.

In the meantime, if you have any concerns for the overall wellbeing or support of your members, I would encourage you to make contact with Northeast Health Wangaratta's Pastoral and Spiritual Care team who would be pleased to assist. You can contact the Pastoral and Spiritual Care team via the hospital's main contact number 03 5722 5111.

Yours sincerely
