Hello Colleen,

That is great news!

And on a different note- last year Open Arms was planning to run the 2-day Mental Health First Aid course in Wangaratta, but it was cancelled twice (or maybe even 3 times) due to restrictions.

Do you think it would be worth rescheduling for later in the year?

Do you think your team would be interested in coming along? I completed it at Shepp over the last few days and I would certainly recommend it.

Cheers,
