Hello Greg,

Request for Funding Support

Planning for the 2022 Remembrance Day service is well underway. It is intended to make this a memorable occasion for all concerned and will include:

- Speaker to be RSL President, Lt Gen (Ret) Ash Power
- Participation of Oxley and Milawa Primary schools
- Commemorative Plaque Unveiling by Lt Gen (Ret) Ash Power
- Presentation of Commemorative Certificates to WWI descendant representatives
- Field of Remembrance Crosses displayed
- Display of historic Photos, information, and memorabilia
- Light luncheon at the historic Oxley Shire Hall

The preparation and running of this event will incur significant expense for our community. We are approaching Rural City of Wangaratta for support. We also request RSL support towards the cost of casting and installing the commemorative bronze plaque. We have obtained a quote from Neville Bell and Sons of Wangaratta carry out this work at a cost of \$1820.00. Any financial help in meeting this expense would be greatly appreciated.
