'I would like to acknowledge that this ceremony of observance, and all observance ceremonies in Victoria, occur on the lands of First Nation Peoples and we acknowledge their significant and enduring connection to Country and pay our respects to their Elders past, present and emerging'.

Australian War Memorial

The Australian War Memorial acknowledges the traditional custodians of country throughout Australia. We recognise their continuing connection to land, sea and waters. We pay our respects to elders past and present.

Maybe something like this:

The Wangaratta RSL acknowledges that this ceremony of observance occurs on the lands of First Nation Peoples and we acknowledge their significant and enduring connection to Country and pay our respects to their Elders past, present & emerging as well as all those who laid down their lives in times of war to protect our country.
