Dear Board Members,

RE: Wangaratta RSL Financial Results – October 2021

Please find below a summary of the RSL's financial results for October 2021 as well as some commentary in relation to the financials.

Financial Results October 2021:

The financial reports for the period have been prepared on a calendar month basis from the 1st October to the 31st October 2021.

Throughout October, the venue was trading 7 days a week for Beverage and Gaming, while Food was only offered Wednesday to Sunday. From October 25th the venue started offering Food service 7 days a week.

Notable during October was the shutdown of the venue from October 13th to 14th. The shutdown was initiated from the DHHS due to a Covid-19 positive customer entering the venue a few days prior. The venue's exposure to the Covid-19 virus resulted in 3 contracted staff members needing to isolate for 14 days. Thankfully the 3 staff members all tested negative and have since returned to work. The KPI section of the report has been adjusted to reflect the 29 days of Beverage and Gaming trade and 23 days of Food trade.

During July, the venue applied for the Licensed Venue Hospitality Fund grant. The Wangaratta RSL has received a further \$80k relating to this grant during October. OTH will continue to monitor any grants the Wangaratta RSL may be eligible for and forward to venue management when appropriate.

The venue recorded a \$87k profit for October. The profit can be attributed to the \$80k received from the Licensed Venue Hospitality Fund grant along with expenses remaining consistent to previous months.

The Beverage Gross Profit Margin for October is 69%, this figure exceeds the YTD average of 65%. The Food Gross Profit Margin for October is 60%, this figure also exceeds the venue's YTD average of 58%.

During October 7 Full-Time staff members took time away from the venue, along with the resignation of a Full-Time chef. These staff members were paid from their leave entitlements which has resulted in a negative annual leave expense.

Please note, the venue during October was below the gaming tax threshold and therefore have no gaming tax obligations relating to October.

Further note, during October the venue converted its TAB license to a no commission and no fee's model. This has resulted in negative balances to TAB Commission and TAB Fee's recorded for October, along with no Sky Channel fee's being recorded under Subscriptions on the P&L.

The Balance Sheet of the RSL reflects the latest known financial position as at the end of October 2021. I can confirm that the RSL is also up to date with the tax office and all statutory payments and lodgements.

Kind Regards,

Freddie Deegan

Director – On Tap Hospitality
